WELCOME

The primary objective and purpose of Victory Academy is to train the student in the knowledge of God and the Christian way of life and to provide the student an excellent education. Victory Academy operates on the premise that the school is an extension of the home and the church, and that there must be close cooperation between these three agencies if the goal of Christian education is to be achieved. The staff at Victory Academy realizes the solemn responsibility before God in molding the life and character of their students in order to give each of them a good foundation for the future. This handbook is to foster that cooperation by providing a better understanding of the school program and ways in which the parents and teachers can work together. We seek only to honor and glorify God by a well ordered, combined effort to train the children in the nurture and admonition of the Lord. Victory Academy operates not for profit as a ministry of Christian Center of the Ozarks.
MISSION STATEMENT

Victory Academy is united with families in providing academic excellence from a Christian perspective to achieve their God given potential.

VISION STATEMENT

Victory Academy will covenant with families to provide an experience where their children can be educated in a manner consistent with Christian beliefs. We shall prepare students for post-secondary studies, and equip them to share the gospel of Jesus Christ, to defend their faith, and to impact the world as leaders in their chosen profession.

STATEMENT OF NON-DISCRIMINATORY POLICY

Victory Academy does not discriminate on the basis of race, color, or national/ethnic origin in the administration of its admissions policies, educational policies, or any school administered programs made available to the students.

STATEMENT OF FAITH

We believe the Bible to be the only inspired, infallible authoritative Word of God, and a complete revelation of God (II Tim. 3:16). We believe there is one God, eternally existent in three persons: Father, Son and Holy Ghost (Matt. 28:19). We believe in the deity of Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious atonement, in His bodily resurrection, in His ascension to the right hand of the Father, and in His personal, visible second coming. We believe the ministry of the Holy Spirit is to glorify the Lord Jesus Christ; and during this age to make all men aware of sin, righteousness, and judgment to come; regenerate, indwell, guide, instruct, and empower all true believers in Christ, and fill those yielded to God. We believe in the absolute necessity of regeneration of the heart and that the shed blood of Jesus Christ and His resurrection provide the only ground for salvation to all who believe, and only such as receive Jesus Christ are born of the Spirit and then become children of God. We believe that all that are saved are called into a Spirit-filled life; separated from all worldly and sinful practices; as well as to a life of service. We believe in the bodily resurrection and judgment of both the saved and the lost; they that are saved unto the resurrection of life; and they that are lost unto the resurrection of eternal damnation. We believe in the spiritual unity of believers in Christ.

Note: Teachers are not to teach or express denominational doctrines in the classroom other than those fundamental Bible beliefs addressed in the Statement of Faith. Students should be encouraged to discuss denominational beliefs with their parents if/when questions related to such beliefs arise.
PHILOSOPHY STATEMENT

The scriptures declare that God has given the responsibility for the education and nurturing of children to the child’s parents (Deut.6:6-9; Eph.6:4). Thus it is the responsibility of the parents/guardians, as they are led by the Holy Spirit, to decide who will assist them in fulfilling their responsibility. Victory Academy was established by the leading of God to serve Christian parents/guardians in the education of their children.

Victory Academy is an interdenominational CHRISTIAN school based on the principle that all truth is God’s truth and has its source in Jesus Christ (John 14:6). Every subject, whether scientific, historical, mathematical, literary, or artistic, is taught from a Biblical perspective with the consciousness that Jesus Christ is to be central in all living and learning. True education must involve an integration of faith and learning. The Holy Spirit is the “Indweller” of all believers and leads them to understand spiritual truth and to act according to God’s will. Spirit-controlled education is exemplified at Victory Academy by first ministering to the students’ spiritual needs and then to their growth academically, socially, and physically.

GENERAL POLICIES

ABSENCES AND MAKEUP WORK

In all cases of absences, it is the responsibility of the parent/guardian/student to notify the Department Director (Terms director & principal may be used interchangeably throughout this document). To request assignments before returning to school the parents or students will need to email the teachers; otherwise, the assignments will be given to the student when they return to class and request them.

Some teachers have the assignments posted in advance. If the students will utilize their agendas and copy the future assignments as given, they will have them beforehand.

If a student is going to be absent because of a scheduled appointment, it is the student’s responsibility to get assignments and make arrangements with the teacher to take any tests or quizzes that he/she will miss and turn in those assignments ahead of time or the student will receive a zero for all missed work. When the student returns to school, he/she should have the assignments due that day completed and ready to turn in.
Students who are absent will have the number of school days plus one to make up all work. Any assignment not completed on time will receive zero credit. **If a test is scheduled the day they return, it MUST be taken that DAY.** Exceptions may be made due to extended illness (with a doctor’s note) or under extreme circumstances with permission of the Director.

A percentage of a student’s overall grade includes daily attendance points. These points are given daily per class period. The students are each given 5 points per class period daily. Points may be deducted based on attendance, tardiness, preparedness, etc. which will result in an overall grade reduction.

If a student is counted absent, their points may be rewarded back to them at the director’s discretion if all assignments from each class period are completed and turned in on the day they return to school. Daily points for absences will not be rewarded back to the student if the assignments are not turned in the day the return back to school. Extreme circumstances will be approved at the administration’s discretion.

High school students who skip school or cut class will be subject to discipline policy found in the Behavior Infractions section of this handbook.

---

**ACADEMIC PROBATION**

Academic probation is invoked when a student has a serious academic problem. A parent/teacher conference will be set to prepare an academic plan.

---

**ADMISSIONS AND REGISTRATION**

Victory Academy offers a program for students who desire an education in a Christian environment and who are capable of achieving in a program dedicated to academic excellence. Although V.A. would like to be able to meet the needs of each applicant, the school recognizes that acceptance must be limited to students who can thrive within this institution.

All High School students must meet with the High School Director and have a graduation requirement form filled out and placed in their permanent file.

A. ADMISSIONS REQUIREMENTS

1. Completed application form
2. Registration fee for new students paid (non-refundable)
3. Signed Statement of Agreement
4. Grades 7-12: completed student questionnaire.
5. Submit transcript and take entrance exam if deemed necessary by Department Director
6. Birth Certificate: required of all new students to verify date of birth
7. Immunization Record (all shots must be up-to-date)
8. Social Security Number

B. ACCEPTANCE

1. All admission requirements must be met
2. If application requirements are satisfied, and it is necessary to place student on waiting list, acceptance is based on the date of application
3. Acceptance will not be approved if there is an outstanding balance at Victory Academy unless satisfactory arrangements have been made with the Director of Finance
4. Acceptance will not be approved if there is an outstanding balance owed to any previously attended school
5. Victory Academy accepts only students that exhibit the following:
   a. The student is capable of academic success at V.A. as indicated by school records and admission test scores
   b. The student has been promoted the preceding year or the parent/guardian is willing to have the student repeat if deemed necessary by V.A.
   c. The student has a positive record of discipline and emotional adjustment, has not been expelled, suspended or currently under disciplinary action from another school
   d. The student does not have a court record, has not been charged with a juvenile offense, is not under investigation or in the process of being sanctioned by any juvenile authority or has a history of drug abuse, anti-social behavior or juvenile delinquency
C. RE-ENROLLMENT

During the month of March, applications for re-enrollment of presently enrolled students will be accepted before new applications are processed. After April 1st, enrollment will be opened to new students.

AGENDAS

All students are required to **bring their agendas to every class period**. It is the responsibility of the student to clearly write all assignments, quizzes and tests in his/her agenda each day for each class. Teachers will use the agenda to send home any necessary correspondence. Parents and teachers should check agendas daily. However, they are not required to have their agendas signed by parents. If homework is complete in any class, the student will write “no homework” by class name. At the end of each quarter, students can have teachers initial each day the agenda was filled out correctly to be used for extra credit in that class as follows: 13 initials = 1% increase in a class; 26 initials = 2% increase. 2% is the maximum increase in a given class by agenda points. The points need to be used by each semester. Teachers will indicate the grade change in Igrade.

ATTENDANCE AND PARTICIPATION

Class time is valuable and attendance is necessary to benefit from the lectures and discussions that take place. Making up homework cannot make up for missed classes. In addition to "Tests", "Quizzes", "Homework", and "Final Exam", each class will have a "Class Participation" category in Igrade, which will be 10% of the grade. Each day will be worth 5 points. A student will have to be present for the entire class and be actively engaged to earn all 5 points. Points will be awarded for having and utilizing agendas, being prepared for class with necessary supplies, active listening, note taking, following directions, and staying on task. If a student is absent, a "zero" will be recorded for missed classes. Inattentiveness or class disruptions can be considered not staying on task and will result in lost points. Each teacher will be the judge of the number of points students receive each day. Class periods are 50 minutes long. Each 10-minute period within a class is worth one point. If any portion of a 10 minute period is lacking, the student will not receive a point for it. Tardiness will result in the loss of at least one point. Leaving class early for any reason will result in the loss of one or more points. Needing to leave class to return to one's locker or to go to the bathroom, the water fountain, or the office will result in the loss of one or more points. Students are expected to enter the classroom on time and stay until dismissed by the teacher.

If a student is counted absent, their points may be rewarded back to them at the director’s discretion if all assignments from each class period are completed and turned in on the day they return to school. Daily points for absences will not be rewarded back to the student if the assignments are not turned in on the day they return back to school. Extreme circumstances will be approved at the administration’s discretion.
ONLINE LEARNING

Online courses will follow the same rules, policies and procedures established in the Victory Academy Handbook, regardless of time of day or where the students access their online class.

ATTENDANCE AND ACTIVITIES

To participate in any extracurricular activity, a student must be in attendance at school for the entire day (including at least 90% of first hour) of the activity, except for verified medical appointments. If a student athlete is absent or tardy on the day following any school sponsored sporting event or game, without a doctor’s excuse, that student will be benched for the first quarter of the next game.

ATTENDANCE AND FINALS

High school students who have no more than a total of 2 absences and/or tardies in a quarter will be allowed to opt out of one final exam as long as his/her grade in that class is at least 90% for the quarter (1st & 3rd) or semester (2nd & 4th). Absences and tardies are recorded by class period. Seniors will be allowed to opt out of all finals for 4th quarter if the class grade is at least a 90% and have no more than 2 absences and/or tardies in the class.

BEHAVIOR EXPECTATIONS

We believe in encouraging positive and consistent behavior. Our desire is to reward positive behavior in a way that helps students become responsible and confident people who will become good witnesses to the Lord, their families, school, and the community.

To this end, the faculty and staff at V.A. upholds our Mission and Vision Statements and will work to make every opportunity available for students to find success.
BEHAVIOR MANAGEMENT

To provide an atmosphere of academic excellence requires good order, discipline, and respect. All students need an environment where they can feel safe and cared for, learn, grow and develop responsibility, morality, and good character habits. Students are expected to exhibit behavior that follows the biblical principles outlined in God’s Word, the Bible. In order to achieve that kind of environment, the following guidelines have been put into place to help insure the absence of distraction, friction, and disturbances that might interfere with the effective functioning of the student, class, and school. These guidelines are effective at the following times and places:

1. On school grounds, during and immediately before and after school hours or school activity, function or event.
2. On school grounds, at any time the school is being used by a school group
3. Off school grounds at any school activity, function, or event.
4. When being transported in school vehicles

All interpretation and application of behavior rules/sanctions are at the discretion of the administration team.

1. Parents/guardians will be notified
2. All actions taken and decisions made will be documented
3. If a Behavior Contract is considered, a meeting will be scheduled with student, parents, and faculty
4. The Administrator may impose a maximum of 10 days OSS.
5. Appropriate referrals and access to community programs/resources will be given.

In any case where the Administrator’s decision is to impose more than 10 days or recommend expulsion the School Board President must be notified. Parents may appeal the Administrator’s decision, in writing. All appeals must be brought to the School Board following the appropriate steps.

Any student who is suspended from school forfeits all student privileges during the term of the suspension, including being on campus at any time or attending school sponsored events, on or off campus.

At this level, it is the goal of the teacher to work through the problem with the student’s cooperation. Notifying the parents allows a cooperative effort between home and school for correction. If these avenues do not correct the situation, the teacher will refer the student to the Principal. Any student referred to the Principal must have a written explanation for the referral. The Principal will then consider the matter, decide on the discipline and notify the parents.

**BEHAVIOR PROBATION**

Students committing serious and/or repeated offenses may be placed on probation under a Behavior Contract. The length and conditions of each probation/contact will depend on the circumstances and will be at the discretion of the administration team. Any student whose behavior does not improve over the course of the probationary period may be expelled or the probation extended when appropriate. No more than one probationary extension will be granted.

**BUS SERVICE**

Request information about route availability and billing from the school office.

Disciplinary Actions: All behavior expectations must be met on bus routes or behavior consequences will be implemented. Based upon the severity of behavior infractions bus privileges may be revoked. (Please refer to the Behavior Expectation, Behavior Management, Behavior Infractions and Consequences portion of the handbook.)

High school students are required to complete 36 hours, and 7th/8th grade students are required to complete 20 hours of Christian service for each school year. This allows students the opportunity to share the love of Christ through serving their school, church, community and the world. The following are service guidelines:

**CAMPUS VISITORS**

**CAMPUS VISITORS**

They will then be issued a visitor’s identification badge, which must be visibly worn at all times while in the school or on school grounds. All visitors must exit via the main entrance and sign out of the school when their visit is complete.

2. Visitors attending school functions that are open to the public will be required to register.

Cell Phones: All cell phones, smart watches or any technology that can be used to call, text, connect to the internet during school hours must be turned in to the high school director beginning at 8:00 am and may be picked up at the end of the school day. Ringtones, vibrate options, message alerts and alarms should be turned OFF. Any cell phone that is not turned in and is confiscated will only be released to a parent/guardian.

IPods, MP3 players, Electronic books, tablets, laptops, etc: School policy is that any music/materials brought to school or used on school property, including school transportation must be Christian materials or secular materials that represents good judgment and a Christian witness. As it is not possible to check all titles stored on a personal cell phone, music device or electronic book, they are not allowed to be taken on field trips.

Any music device/cell phone used on school transportation during an after school event, including but not limited to sporting events, that has music/material that is deemed inappropriate by the supervising school official will be confiscated and returned to the student upon returning to school or a parent-teacher conference can be scheduled. Club meetings are held before and after school or at lunch to plan social activities, Christian service projects and fundraising goals.

COMMUNICATION

General Information

The faculty and administration at V.A. value open lines of communication between parents and school. To this end, teachers, directors, and administration utilize multiple and varied communication avenues to keep parents fully informed. From time to time, questions or concerns may arise. It is important to the relationship between home and
school that proper channels of communication be respected and followed. Questions that relate to classroom practices and procedures need to first be addressed with the responsible teacher. Once the teacher has been contacted, the Director/Administrator is available, if further assistance is needed.

To assist in keeping lines of communication open parents should:

1. Read the handbook thoroughly upon enrollment. Any questions about its contents should be discussed with the Director.

2. Read all correspondence from the school carefully and stay informed concerning activities and schedules.

3. Demonstrate full support for school policies. Criticizing policies, or those in authority, in front of students, encourages them to show disrespect and creates a rift between family and the school.

4. Regularly ask students about what is being studied at school and should show a positive interest in the accomplishments of the student. Students should be encouraged to achieve in a healthy way.

**Addressing Disagreement**

As our mission statement indicates, V.A. has been built on the assumption that we are united with you in an effort to educate your child. This requires a supportive relationship between home and school. This includes support for the administering of consequences for poor choices made at school, a willingness to meet with teachers personally to mutually work out any issues that may occur during the education process and a willingness to use the Matthew 18 Principles for handling disagreement.

1. If there is a concern about policies or action taken by the school, the parents should withhold judgment until after contacting school administration.

2. If the disagreement cannot be resolved, then the matter should be taken to the next higher authority in the chain of command.

3. School board members are not to be approached to solve school problems, but instead will refer the aggrieved person to the administrator so that proper procedures can be followed. If a board member is approached, he/she is obligated to notify the administrator.

In the case of a dispute, all parties involved should maintain a positive attitude and give a good report at all times. They should also refrain from being critical or judgmental, and refrain from gossiping or discussing the situation with others who are not involved directly, as this only sows seeds of discord.
Conflicts between students sometimes occur within the school setting. However, a parent must never approach another parent's child while at school regarding a problem, without prior permission from that child's parent. If there is a problem that needs to be addressed, the parent should ask the administration to handle the situation.

**COMPUTER USE AND INTERNET POLICIES**

Students have supervised access to the computer usage during school hours. Students are expected to display responsible behavior on school computer networks and the Internet. Parents’ permission for computer lab access is required for all students. Access is a privilege and not a right at school. An account is set up for each student to use while at school. However, personal use of the Internet, including but not limited to, checking personal email, using Facebook, YouTube, etc, entering chat rooms, and all downloading from the Internet is strictly forbidden. Printing from the Internet is allowed, only with teacher permission, for school assignments. File storage areas will be treated like school lockers. They may be inspected at the discretion of the school Computer Network Administrator. V.A. has installed and regularly updates Internet filters in an effort to protect your child while using the Web.

*Violation of any school policy regarding the use of the computer usage policy will result in the loss of computer privileges.*

**CONDUCT AND COURTESY**

The Academy implements the teaching of social graces and Biblical-based morals. The students are held accountable for using common courtesy and general rules of respect to grow to be men and women that God can use.

EXTRACURRICULAR ACTIVITIES and ACADEMIC COMPETITIONS

The goals of all extracurricular activities are to help develop the Christian character of our students, to offer the opportunity to be an effective witness, and to broaden the student’s horizons.

All students who participate in ANY extra-curricular school activities including, but not limited to, sports, cheerleading, all clubs, bell choir, or student council must:

· Maintain a cumulative* average of 75% or higher in all core subjects

· Not have an "F" average in any single core subject

· Not have served I.S.S. (In School Suspension) or O.S.S. (Out of School Suspension) within a 5 school day period of the scheduled event

· Be present in school the entire day of the event or scheduled activity unless prior approval has been obtained from HS principal.

· HS principal will notify students/coaches/sponsors on Thursday of eligibility for participation in activities scheduled for the following week.

*9th – 12th grade core subjects: Any subject required for graduation

*Cumulative means grades calculated from the first day of school.

FIELD TRIPS

Field trips are an important part of education and are regarded as extensions of the classroom. Permission for students to participate is covered under the blanket permission slip secured at the beginning of each school year. However, parents will be notified prior to the trip. Admission fee and gas money may be required. If you do not
wish your child to go, arrangements may need to be made for your child to stay home for that day. It is school policy that no siblings are allowed to attend field trips unless their class is also part of the field trip. Students are not allowed to bring cell phones.

Students are expected to ride school provided transportation for all field trips, unless parents are asked to drive. High school students are not allowed to drive themselves or other students on field trips unless preapproved by administration and parents.

In the event that parents are asked to drive the following conditions must be met:

1. Approved drivers must be at least 21 years of age. Approved drivers must have a valid driver’s license and provide a copy of it to the office.
2. Proof of current auto insurance must be on file prior to leaving school grounds.
3. Vehicles must have the appropriate number of working seatbelts per student.

Teachers may ask parents to chaperone on field trips. Chaperones must be willing to supervise students according to the teacher’s directions and remain with the group for the duration of the trip. We ask that parents recognize the teacher is in charge of the activity at all times, and expect the instructions of the teacher to be followed.

**FOOD DURING THE SCHOOL DAY**

No open containers are allowed in lockers (This includes fountain drinks/coffee cups/soda cans). No food or drinks may be eaten in the classroom except for special occasions and/or meetings unless the teachers/sponsor has approved. Only water bottles are allowed in the classrooms.

Lunch:
- Students are expected to bring a nutritious lunch each day. We recommend the use of a sturdy, insulated lunch box with an adequate lunch. For both cold and warm lunches, we recommend using an insulated thermos.
- Students may store their lunches designated student refrigerator and may use the microwaves provided in the multipurpose room for students in 9th-12th grades.
- All food items stored in the student refrigerator must be labeled with the student’s name.
- The student refrigerator will be cleaned out each Thursday. Food may not be kept in the student refrigerator over the weekend or over extended breaks.
- Glass containers are not permitted.
- Nothing larger than a 20 oz. bottle will be permitted.
- Students will have the option to order lunches on campus occasionally. Information will be sent home prior to a special lunch day.

**GRADUATION REQUIREMENTS**

High school students are expected to take a full course load each year. 26 credits are required for graduation. A core sheet of required classes is kept in the student's file.

In order for high school students to receive credit for a class, they must have a 70% or higher semester grade. Any student failing a class must meet with the Director to discuss options for making up the credit. There will be an additional fee for credit recovery. Students may receive a credit for a D in a class only if the student complies with ALL academic probation guidelines.

**Grading Code**

The following system is used to determine letter grades and grade points for the determination of Grade Point Average (GPA) and class rank.

Some classes at V.A. have been deemed “weighted”, such as dual credit courses and Spanish 2 and will use a 5 point system according to the above percentages.

**Graduation Honors**

Graduating High School and 8th grade students may work toward the following honors to be bestowed during graduation:

8th Grade Valedictorian: Student(s) with the highest GPA in the graduating class.

HS Valedictorian: Student(s) with the highest GPA in the graduating class and will wear a gold cord at commencement.

8th Grade Salutatorian: Student(s) with the second highest GPA in the graduating class.

HS Salutatorian: Student(s) with the second highest GPA in the graduating class, and will wear a burgundy cord at commencement.

All Valedictorian/Salutatorians must have a minimum 3.2 GPA and will be figured to the hundredths place. In case of a tie (two or more students) for Valedictorian honors, both or all will be Valedictorians. There will be no Salutatorian(s). The midterm grade of the 4th quarter of the 8th grade or senior year will be the final grade used for determining Graduation Honors. The end of 4th quarter grades will be used to determine the final GPA.

For High School: Candidates must have attended V.A. during their entire Junior and Senior years. A minimum of 26 high school credits must be earned. An ACT test must be taken. Students in Dual-Credit or other weighted classes will receive a weighted high school grade used for determining GPA. A separate non-weighted grade will be
submitted to the college sponsoring the Dual Credit course. Beta Club members who have maintained a 3.2 cumulative GPA will wear a gold Beta stole.

**HOMEWORK**

Homework is often given to aid the student progress in his/her studies. Therefore, each student is required to complete homework assignments and have them in on time. Parents should expect an average of 15 minutes of homework per grade level. For homework not completed and turned in on time, please refer the following divisional procedures:

* Students receive a daily homework grade. No homework will result in a zero.

**INJURIES**

All injuries are to be reported immediately to the appropriate supervising staff member, who will complete an accident report, which will be turned in to the Dept. Director. Depending on the seriousness of the injury, appropriate steps will be taken, including notifying the parent/guardian if necessary.

**LEAVING THE BUILDING/CAMPUS DURING THE DAY**

Students are to bring all books, lunches, etc., into the school upon arrival. At no time during the day is a student to leave the building without authorization from the Director. V.A. operates as a closed campus. At no time during the day is a student to leave campus without signing out or being signed out. Students must have a parent/guardian signed permission slip or the parent/guardian must personally sign the student out in the office.

**LOCKERS**

Locks may be used and must be brought from home. Only combination locks may be used. The student must provide a copy of the combination to the HS principal before the lock is put on the locker.

Students are expected to keep lockers neat and orderly and use them strictly for school items.

Approved decorations are allowed on the outside of lockers. Students may use magnets and “sticky-tack” to secure acceptable items/decorations inside the locker. Tape should not be used.
The school reserves the right to inspect lockers periodically or when deemed necessary without notification.

**LOST AND FOUND**

Items found on the school grounds that do not have a name on them and cannot be identified will be kept in the school lost and found container in the multi-purpose room for a period no longer than 30 days. After that time, if the item is not claimed it will be given to charity.

**MEDICINE**

Medication will only be dispensed by certified personnel with written parental instructions. All medicines must be turned in at the nurse’s office. Prescription and non-prescription medication shall be in the original container, and labeled with the child's name, instructions for administration, including the times and the amounts for dosages, and the physician's name. Due to liability, the Academy will not dispense any medications not in the original containers.

**PARENT/TEACHER CONFERENCES**

Scheduled conferences will be held at the end of the first quarter. However, parents are encouraged and welcomed to meet with teachers any time they feel necessary. Please contact the High School Director to make arrangements to meet with the teacher.

**PARENT VOLUNTEERS**

There are jobs vital to this ministry which can only be filled with workers who have a willing heart and a desire to serve. These opportunities are published in the daily announcements, emails and on Facebook. Please contact the school office personnel or Administrator if interested in volunteering.

For safety reasons, all volunteers must first sign in at the office and obtain a visitor’s badge. When leaving you must sign out and return the badge. Classroom volunteers must be willing to submit to a background check.
**PHYSICAL EDUCATION**

Students must wear tennis shoes for their PE class. During hot weather, a water bottle is strongly recommended. All students will be required to participate in PE. Nonparticipation will result in the lowering of student’s grade. If a student has a physical problem that keeps him/her from participating on a given day a note from a parent verifying the problem is required. A doctor's note may be required for consecutive nonparticipation.

**POLICY REVIEW**

The V.A Board of Directors and Administration shall ensure that all guidelines and policies are evaluated at regular intervals and updated as needed. Input from students, staff, parents, and others from the community will be encouraged.

**PROMOTION/RETENTION**

Promotion of students to the next grade is determined by satisfactory progress and developmental readiness.

In High School, the number of credits earned determines grade placement as follows:

- To be classified as a sophomore – must have earned 6 credits
- To be classified as a junior – must have earned 13 credits
- To be classified as a senior – must have earned 20 credits

**RECESS**

We will be going outside for recess whenever possible. It is important that children be allowed to get fresh air and exercise throughout the day. Students will have recess in the winter, so please send coats, gloves, etc., on cold days. We will not go outside when it is raining, snowing, or is below approx. 36 degrees, depending on the wind chill.

**RELEASE OF RECORDS AND COMMUNICATION WITH PARENT**

In the case of students of divorced parents V. A. will keep the custodial parent informed of all the upcoming school events, grades, and anything else that it would be in their interest to know. The custodial parent is defined as the parent that the child resides with during the majority of the school year. It is between the custodial parent and the non-custodial parent to work out a plan for the custodial parent to communicate the information to the non-custodial parent.
REPORT CARDS

The scholastic year is divided into two semesters of two quarters each. Grades may be viewed at any time on the grade student network system. Students and parents will have login accounts. Please contact the office personnel for usernames and passwords. At the end of the first quarter, parents may pick up their student’s report card at Parent-Teacher Conferences. If a parent is unable to attend the conferences, then the report card will be mailed to the home. For remaining quarters, report cards will be e-mailed home. Paper copies will also be made available.

SCHOOL CLOSING FOR INCLEMENT WEATHER

All school closings for snow will be announced on the local Springfield television stations. Parents can sign up for text alerts for school closing through Remind. Usually, V.A. will close when the public schools close for inclement weather. Occasionally, V.A. may hold classes when the public schools are still closed, if the major roads are clear and safe to travel on.

Graduation photos are taken of graduating students in their caps and gowns.

SICKNESS

You must keep your child out of school for at least 24 hours if he/she has been vomiting, has diarrhea, has a fever, or has a contagious illness (such as strep throat, flu virus, etc.). 2. Cars are not to be occupied during school hours, nor are students to sit in parked cars while waiting for school to begin or after school dismisses.

If a parent secures permission to transport his/her own child, only that child may ride; no children of other parents will be allowed to ride in cars other than their parents’ either to or from an event without that parent notifying the event sponsor. After an event, parents in attendance may have the option of taking their own children home with them, provided the parent notifies the coach.

2. If any meals are eaten during the trip, all drivers, students, faculty, and chaperones will eat at the designated place.

3. If there is more than one official school vehicle on a trip, those vehicles will caravan together to and from the event and between segments of the event, as much as possible.

4. All designated drivers must provide the school with a copy of a valid driver’s license, and provide proof of auto insurance before leaving school grounds.

WELLNESS POLICY

Victory Academy is committed to providing a school environment that promotes and protects children’s health, well being, and ability to learn by supporting healthy eating and physical activity.

The Academy will engage students, parents, teachers, food service persons, health professionals, and other interested community members in developing, implementing, monitoring, and reviewing school-wide nutrition and physical activity policies.

Nutrition

Parents are encouraged to pack healthy, well-balanced lunches for their children. Soda is not permitted to be packed in a student's lunch.

The academy will provide nutrition education and physical education to foster lifelong habits of health eating and physical activity, and will establish linkages between health education, school nutrition, programs with related community services.

Victory Academy will provide students with at least 20 minutes to eat after sitting down. Meal periods will be scheduled at appropriate times, (e.g., lunch will be scheduled between 11 a.m. and 1 p.m). Tutoring, club meetings, organizational meetings, or activities will not be scheduled during meal times, unless students may eat during such activities.

Lunch periods and recess periods will be scheduled at separate time slots.

Students will be provided access to hand washing or hand sanitizing before they eat meals or snack.

Reasonable steps will be taken to accommodate the tooth brushing regimens for students with special oral health needs.

Students are discouraged from sharing their foods or beverages with one another during meal or snack times, given health concerns and concerns about allergies and other restrictions on some children’s diets.

Snacks served during the school day or in after-school care or enrichment programs will make a positive contribution to children’s diets and health, with an emphasis on serving fruit and vegetables with water promoted as the primary beverage. Victory Academy will assess if and when to offer snacks based on timing of school meals, children’s nutritional needs, children’s ages, and other considerations.

Nutrition education and promotion will promote fruits, vegetables, whole grain products, low-fat and fat-free dairy products, health food preparation methods, and health enhancing nutrition practices. Education is offered at each
grade level as part of a comprehensive program designed to provide students with the knowledge and skills necessary to promote and protect their health.

**Physical Education**

All students in grades K-12 will have opportunities, support, and encouragement to be physically active on a regular basis. Victory Academy encourages students to fully embrace regular physical activity as a personal behavior.

Victory Academy strives that all students receive the nationally recommended amount of daily physical activity per day.

Students' need for physical activity will be incorporated into other subject lessons and classroom teachers will provide short physical activity breaks between lessons or classes, as appropriate.

All students will have at least 20 minutes a day of supervised recess, preferably outdoors, during which schools should encourage moderate to vigorous physical activity verbally and through the provision of space and equipment.
