**7<sup>th</sup>-12<sup>th</sup> GRADE HANDBOOK**  
**2017-2018**

School Board President.....	Teresa Yarger
School Board Vice-President.....	Mitch Jakusz
School Board Treasurer.....	Steve Kelly
School Board Member.....	Beau Mathiason
School Board Member .....	Scott Richardson
Administrator/Department Director.....	Teresa Bruffett

The primary objective and purpose of Victory Academy is to train the student in the knowledge of God and the Christian way of life and to provide the student an excellent education. Victory Academy operates on the premise that the school is an extension of the home and the church, and that there must be close cooperation between these three agencies if the goal of Christian education is to be achieved. The staff at Victory Academy realizes the solemn responsibility before God in molding the life and character of their students in order to give each of them a good foundation for the future. This handbook is to foster that cooperation by providing a better understanding of the school program and ways in which the parents and teachers can work together. We seek only to honor and glorify God by a well ordered, combined effort to train the children in the nurture and admonition of the Lord. Victory Academy operates not for profit as a ministry of Christian Center of the Ozarks.

**MISSION STATEMENT**

Victory Academy is united with families in providing academic excellence from a Christian perspective to achieve their God given potential.

**VISION STATEMENT**

Victory Academy will covenant with families to provide an environment where their children can be educated in a manner consistent with Christian beliefs. We shall prepare students for post-secondary studies, and equip them to share the gospel of Jesus Christ, to defend their faith, and to impact the world as leaders in their chosen profession.

**STATEMENT OF NON-DISCRIMINATORY POLICY**

Victory Academy does not discriminate on the basis of race, color, or national/ethnic origin in the administration of its admissions policies, educational policies, or any school administered programs made available to the students.

**STATEMENT OF FAITH**

We believe the Bible to be the only inspired, infallible authoritative Word of God, and a complete revelation of God (II Tim. 3:16). We believe there is one God, eternally existent in three persons: Father, Son and Holy Ghost (Matt. 28:19). We believe in the deity of Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious atonement, in His bodily resurrection, in His ascension to the right hand of the Father, and in His personal, visible second coming. We believe the ministry of the Holy Spirit is to glorify the Lord Jesus Christ; and during this age to make all men aware of sin, righteousness, and judgment to come; regenerate, indwell, guide, instruct, and empower all true believers in Christ, and fill those yielded to God. We believe in the absolute necessity of regeneration of the heart and that the shed blood of Jesus Christ and His resurrection provide the only ground for salvation to all who believe, and only such as receive Jesus Christ are born of the Spirit and then become children of God. We believe that all that are saved are called into a Spirit-filled life; separated from all worldly and sinful practices; as well as to a life of service. We believe in the bodily resurrection and judgment of both the saved and the lost; they that are saved unto the resurrection of life; and they that are lost unto the resurrection of eternal damnation. We believe in the spiritual unity of believers in Christ.

## GENERAL POLICIES

### ABSENCES AND MAKEUP WORK

In all cases of absences, it is the responsibility of the parent/guardian/student to notify the Department Director (Terms director & principal may be used interchangeably throughout this document). A homework sheet will be completed and may be picked up in the office **at the end of the day**. It is the responsibility of the student or parents to pick up homework and books during periods of extended absences, lasting more than one day.

If a student is going to be absent because of a scheduled appointment, it is the student's responsibility to get assignments and make arrangements with the teacher to take any tests or quizzes that he/she will miss and turn in those assignments **ahead of time** or the student will receive a zero for all missed work. When the student returns to school, he/she should have the assignments due that day completed and ready to turn in.

Students who are absent will have the number of days plus one to make up all work. Any assignment not completed on time will receive zero credit. **If a test is scheduled the day they return, it MUST be taken that DAY.** Exceptions may be made due to extended illness (with a doctor's note) or under extreme circumstances with permission of the Director.

High school students who skip school or cut class will be subject to discipline policy found in the Behavior Infractions section of this handbook.

### ACADEMIC PROBATION

Academic probation is invoked when a student has a serious academic problem.

A student will be placed on academic probation if a grade drops below 70% in any subject on his/her two week grade printout. Probation will last at least two weeks AND until the grade has risen to at least a 70% on a two week grade printout. Probation will consist of three times per week after school or study skills hour. During these tutoring sessions, the student will receive either tutoring in the subject or supervised homework time, depending on the reason for the grade earned.

In the event a student is placed on probation, a notice will be sent to the parent/guardian and student so a mutual effort on the part of both school and home may be made to correct the academic deficiency. A conference may be scheduled to discuss the reason for probation and suggestions for remediation.

If a student's grade has not improved to the appropriate level by the end of the second consecutive quarter, a conference will be scheduled with the Administrator to determine the student's status at V.A.

### ADMISSIONS AND REGISTRATION

Victory Academy offers a program for students who desire an education in a Christian environment and who are capable of achieving in a program dedicated to academic excellence. Although V.A. would like to be able to meet the needs of each applicant, the school recognizes that acceptance must be limited to students who can thrive within this institution.

All High School students must meet with the High School Director and have a graduation requirement form filled out and placed in their permanent file.

#### A. ADMISSIONS REQUIREMENTS

1. Completed application form
2. Registration fee for new students paid (non-refundable)
3. Signed Statement of Agreement
4. Grades 7-12: completed student questionnaire.
5. Submit transcript and take entrance exam if deemed necessary by Department Director (7<sup>th</sup> and 8<sup>th</sup> grade students are required to take an entrance exam)
6. Birth Certificate: required of all new students to verify date of birth
7. Immunization Record (all shots must be up-to-date)

8. Social Security Number

**B. ACCEPTANCE**

1. All admission requirements must be met
2. If application requirements are satisfied, and it is necessary to place student on waiting list, acceptance is based on the date of application
3. Acceptance will not be approved if there is an outstanding balance at Victory Academy unless satisfactory arrangements have been made with the Director of Finance
4. Acceptance will not be approved if there is an outstanding balance owed to any previously attended school
5. Victory Academy accepts only students that exhibit the following:
  - a. The student is capable of academic success at V.A. as indicated by school records and admission test scores
  - b. The student has been promoted the preceding year or the parent/guardian is willing to have the student repeat if deemed necessary by V.A.
  - c. The student has a positive record of discipline and emotional adjustment, has not been expelled, suspended or currently under disciplinary action from another school
  - d. The student does not have a court record, has not been charged with a juvenile offense, is not under investigation or in the process of being sanctioned by any juvenile authority or has a history of drug abuse, anti-social behavior or juvenile delinquency

**C. RE-ENROLLMENT**

During the month of March, applications for re-enrollment of presently enrolled students will be accepted before new applications are processed. After April 1st, enrollment will be opened to new students.

**AGENDAS**

All students are required to bring their agendas to every class period. It is the responsibility of the student to clearly write all assignments, quizzes and tests in his/her agenda. Teachers will use the agenda to send home any necessary correspondence. Parents and teachers should check agendas daily. However, they are not required to have their agendas signed by parents. Students will have their agendas initialed by the Study Skills teacher each day if their agendas are filled out correctly. If homework is incomplete in any class, the initial for that day will be voided. The initials can then be used for extra credit as follows: 13 initials = 1% increase in a class; 26 initials = 2% increase. 2% is the maximum increase in a given class by agenda points. The points need to be used by each semester. Teachers will mark the points used for his/her class and will indicate the usage by a black dot message on GPA network.

**ATTENDANCE REQUIREMENTS**

Attendance is a requirement of all classes in High School. A student is allowed 6 absences per semester in each class. Classroom teachers will record attendance daily. Exceeding the 6 absences can result in a grade reduction. It is important that students understand that these days are not considered as “free” or “skip” days, but are intended to be used for unavoidable absences beyond the student’s control, such as illness, injury, or family emergencies.

As attendance and participation are part of a successful learning experience, students with 7 or more absences will be issued an academic penalty in the form of grade reduction as follows:

Absences	Grade Reduction
<b>7</b>	<b>2%</b>
<b>8</b>	<b>4%</b>
<b>9</b>	<b>8%</b>
<b>10</b>	<b>16%</b>
<b>11</b>	<b>32%</b>
<b>12</b>	<b>50%</b>

This academic penalty represents the participation portion of the student’s grade and is intended as a deterrent to excessive absences. Any student may reduce accrued absences by staying after school as scheduled by the High School Director. The student must notify the Director that he/she wishes to make up attendance days. Make up sessions do not match the educational value of actual class attendance, so no student will be allowed to make up

more than 6 days of absences by attending make-up sessions. After the 6 days of absences are made up, a penalty will be applied to the semester grade. If there have been extenuating circumstances beyond the student's control such as hospitalization of the student, documented long-term illness with doctor's excuse, etc. students may appeal the penalty by requesting a meeting with the school board or a convened attendance committee.

### **ATTENDANCE REQUIREMENTS 7<sup>th</sup>-8<sup>th</sup> Grade**

Attendance and class participation are equally important in 7<sup>th</sup>-8<sup>th</sup> grades. Therefore, a student with more than nine (9) absences per semester will be issued an academic penalty based on the following grade reduction chart for each semester. Classroom teachers will record attendance daily. It is important that parents/students understand that these days are not considered as "free" or "skip" days, but are intended to be used for unavoidable absences beyond the student's control, such as illness, injury or family emergencies.

Absences	Grade Reduction
<b>10</b>	<b>2%</b>
<b>11</b>	<b>4%</b>
<b>12</b>	<b>8%</b>
<b>13</b>	<b>16%</b>
<b>14</b>	<b>32%</b>
<b>15+</b>	<b>50%</b>

This academic penalty represents the participation portion of the student's grade and is intended as a deterrent to excessive absences. A parent conference will be scheduled for any student receiving two or more core failing grades due to attendance with the Director to discuss a recovery plan.

### **ATTENDANCE AND ACTIVITIES**

To participate in any extracurricular activity, a student must be in attendance at school for the entire day (including at least 90% of first hour) of the activity, except for verified medical appointments. If a student athlete is absent or tardy on the day following any school sponsored sporting event or game, without a doctor's excuse, that student will be benched for the first quarter of the *next* game.

### **ATTENDANCE AND COLLEGE VISITS**

Arrangements for college days follow the same procedures outlined for absences and make up work. Students must notify the High School Director one week in advance and all assignments must be requested and turned in before the college day. If not, the day will count against attendance and the missed assignments will be zeros. Seniors are allowed two full days to visit college campuses and juniors are allowed one. All arrangements with the college are the student's responsibility. In order for college days to not count against attendance requirements, student must submit a verification letter from the college to the High School director the day he/she returns to school. No college visits will be approved in the month of May. Students over the attendance limit or who are currently failing any class may not take off school for a college day.

### **ATTENDANCE AND FINALS**

High school students who have no more than a total of 2 absences and/or tardies in a quarter will be allowed to opt out of one final exam as long as his/her grade in that class is at least 90% for the quarter (1<sup>st</sup> & 3<sup>rd</sup>) or semester (2<sup>nd</sup> & 4<sup>th</sup>). Absences and tardies are recorded by class period. Seniors will be allowed to opt out of all finals for 4<sup>th</sup> quarter if the class grade is at least a 90% and have no more than 2 absences and/or tardies in the class.

### **ATTENDANCE AND TARDIES**

Consistent and prompt attendance is very important for success in school. Excessive absences and tardiness are detrimental to the educational process and put the student at a disadvantage. When possible, please try to schedule appointments so they do not conflict with school hours. If it becomes necessary for the parent to check their child out of school before dismissal time, prior arrangements with the teacher or director is required. Parents must first check in at the office and wait for their child to be released from class. All students must be signed out. Students will be counted absent in all classes missed.

Like absenteeism, tardiness is a disruption to the learning process, not only of the student but to the other members of the class. Students are considered tardy if they are not in class, prepared to begin, at the bell or scheduled time.

Any student arriving after 8:15 must obtain a tardy slip before going to class. Students, 7<sup>th</sup>-12<sup>th</sup> grade, who are tardy for any class within the school day, will be marked tardy by that teacher.

Tardies fall into two categories: excused and unexcused. Tardies are excused when the result of illness, an appointment, family emergency and must be accompanied by a note signed by a parent or physician. All other tardies are unexcused, although it is granted that in many instances, there may be a good reason including but not limited to, transportation and/or traffic. However, to keep staff from having to evaluate the merit of each situation the above procedure will be used.

Students are allowed four tardies per quarter. If this limit is exceeded in a nine week grading period:

Four tardies ( including the first four) in a nine-week period will be marked as an unexcused absence and will count toward grade reduction penalty.

### **BEHAVIOR EXPECTATIONS**

We believe in encouraging positive and consistent behavior. Our desire is to reward positive behavior in a way that helps students become responsible and confident people who will become good witnesses to the Lord, their families, school and the community.

To this end, the faculty and staff at V.A. upholds our Mission and Vision Statements and will work to make every opportunity available for students to find success.

### **BEHAVIOR MANAGEMENT**

To provide an atmosphere of academic excellence requires good order, discipline, and respect. All students need an environment where they can feel safe and cared for, learn, grow and develop responsibility, morality and good character habits. Students are expected to exhibit behavior that follows the biblical principles outlined in God's Word, the Bible. In order to achieve that kind of environment the following guidelines have been put into place to help insure the absence of distraction, friction and disturbances that might interfere with the effective functioning of the student, class, and school. These guidelines are effective at times and places:

1. On school grounds, buildings, and vehicles
2. Off school grounds at any school sponsored activity, function, or event.

All interpretation and application of behavior rules/sanctions are at the discretion of the administration team.

### **BEHAVIOR INFRACTIONS AND CONSEQUENCES**

Infractions will be broken down into three categories by severity.

1. Parents/guardians will be notified
2. All actions taken and decisions made will be documented
3. If a Behavior Contract is considered, a meeting will be scheduled with student, parents, and faculty
4. The Administrator may impose a maximum of 10 days OSS.
5. Appropriate referrals and access to community programs/resources will be given.

In any case where the Administrator's decision is to impose more than 10 days or recommend expulsion the School Board President must be notified. Parents may appeal the Administrator's decision, in writing. All appeals must be brought to the School Board following the appropriate steps.

Any student who is suspended from school forfeits all student privileges during the term of the suspension, including being on campus at any time or attending school sponsored events, on or off campus.

#### **Possible Consequences for Class "A" Offenses**

1. Out of school suspension (OSS)
2. Expulsion
3. Restitution of property and/or damage
4. Behavior Management Contract
5. Confiscation of illegal item (item will not be returned to student)
6. Work detention

#### **CLASS "B" OFFENSES**

Unacceptable behavior in this category is defined as those activities engaged in by a student(s) that are directed against persons or property and violate basic honor and trust afforded students at the Academy. Acts of disruptive behavior may include, but are not limited to:

1. Defiance of authority; verbal or nonverbal refusal to comply
2. Cheating or plagiarism

2. All actions taken and decisions made will be documented
3. If a Behavior Management Contract is considered, a meeting will be scheduled with the student, parents, and faculty

### **CLASS “C” OFFENSES**

Unacceptable behavior in this category, is defined as any activity engaged in by a student(s) that tends to impede orderly classroom procedures, instructional activities, orderly operation of the school, or are contrary to the mission of the Academy. Acts of misbehavior at this level may include, but are not limited to:

1. Leaving the classroom or school function without teacher permission and a pass
2. Public display of affection while on school property, while riding in school operated vehicles, or at school functions

### **Possible Consequences for Class “C” Offenses**

Parents will be notified immediately of any Class “C” behaviors, so that a cooperative effort between home and school can be addressed before the problem escalates.

At this level, it is the goal of the teacher to work through the problem with the student’s cooperation. Notifying the parents allows a cooperative effort between home and school for correction. If these avenues do not correct the situation, the teacher will refer the student to the Principal. Any student referred to the Principal must have a written explanation for the referral. The Principal will then consider the matter, decide on the discipline and notify the parents.

### **BEHAVIOR PROBATION**

Students committing serious and/or repeated offenses may be placed on probation under a Behavior Contract. The length and conditions of each probation/contact will depend on the circumstances and will be at the discretion of the administration team. Any student whose behavior does not improve over the course of the probationary period may be expelled or the probation extended when appropriate. No more than one probationary extension will be granted.

### **BUS SERVICE**

Request information from the school office.

### **CHRISTIAN SERVICE**

High school students are required to complete 30 hours and 7<sup>th</sup>/8<sup>th</sup> grade students are required to complete 20 hours of Christian service for each school year. This allows students the opportunity to share the love of Christ through serving their school, church, community and the world. The following are service guidelines:

1. H.S. Director will track all reported service hours.
2. Service hours will be listed on final report card and transcript each year.

## CAMPUS VISITORS

### Adult Visitors

From time to time there may be visitors on campus. When visitors arrive they must report to the school office to sign in and obtain a visitor's badge. This is necessary for safety and insurance purposes and includes speakers for classrooms or chapel. Upon leaving, visitors should return to the office to sign out and turn in badge. All visitors must be compliant with Victory Academy policies and conditions. Violations may include a verbal reminder, request to leave the premises or other sanctions as determined by Administration.

3. Visitors must adhere to school dress code.
4. Visitors will not be permitted during finals weeks, achievement testing, or on field trip days.

Any student who has been suspended or expelled will not be permitted on campus.

### Parental Visitors

It is the desire of the administration and faculty to be of service to both parent and student. Therefore, each teacher welcomes visits from parents. Parents wishing to observe in a classroom should:

1. Schedule observation with the teacher
2. Check in at the office before entering the classroom to obtain a visitor's pass.
3. Take a seat at the back of the room
4. Please refrain from conversation with the students and the teacher while class is in session

**Cell Phones:** All cell phones must be turned in to the high school director at the beginning of the day and may be picked up at the end of the day. **Ring tones, vibrate options, message alerts and alarms should be turned OFF.** Any cell phone that is not turned in and is confiscated will only be released to a parent/guardian.

**iPods, MP3 players, Electronic books, tablets, laptops, etc:** School policy is that any music or materials brought to school or used on school property, including school transportation must be Christian materials or secular materials that represents good judgment and a Christian witness. As it is not possible to check all titles stored on a personal cell phone, music device or electronic book, they are not allowed to be taken on field trips. Any music device/cell phone used on school transportation during an after school event, including but not limited to sporting events, that has music/material that is deemed inappropriate by the supervising school official will be confiscated and returned to the student upon returning to school. Any electronic books used, at teachers' discretion, may be checked at any time and confiscated if necessary until a parent conference is scheduled.

## CLUB MEETINGS

School sponsored clubs offer students a chance to explore interests beyond the classroom that may include, but are not limited to BETA Club (by invitation), Ambassador's, FCBLA, & Missions Club. Club meetings are held before and after school or at lunch to plan social activities, Christian service projects and fundraising goals.

## COMMUNICATION

### General Information

The faculty and administration at V.A. value open lines of communication between parents and school. To this end, teachers, directors, and administration utilize multiple and varied communication avenues to keep parents fully informed. From time to time, questions or concerns may arise. It is important to the relationship between home and school that proper channels of communication be respected and followed. Questions that relate to classroom

practices and procedures need to first be addressed with the responsible teacher. Once the teacher has been contacted, the Director/Administrator is available, if further assistance is needed.

To assist in keeping lines of communication open parents should:

1. Read the handbook thoroughly upon enrollment. Any questions about its contents should be discussed with the Director.
2. Read all correspondence from the school carefully and stay informed concerning activities and schedules.
3. Demonstrate full support for school policies. Criticizing policies, or those in authority, in front of students, encourages them to show disrespect and creates a rift between family and the school.
4. Regularly ask students about what is being studied at school and should show a positive interest in the accomplishments of the student. Students should be encouraged to achieve in a healthy way.

### **Addressing Disagreement**

As our mission statements indicates, V.A. has been built on the assumption that we are united with you in an effort to educate your child. This requires a supportive relationship between home and school. This includes support for the administering of consequences for poor choices made at school, a willingness to meet with teachers personally to mutually work out any issues that may occur during the education process and a willingness to use the Matthew 18 Principles for handling disagreement.

1. If there is a concern about policies or action taken by the school, the parents should withhold judgment until after contacting school administration.
2. If the disagreement cannot be resolved, then the matter should be taken to the next higher authority in the chain of command.
3. School board members are not to be approached to solve school problems, but instead will refer the aggrieved person to the administrator so that proper procedure can be followed. If a board member is approached, he/she is obligated to notify the administrator.

In the case of a dispute, all parties involved should maintain a positive attitude and give a good report at all times. They should also refrain from being critical or judgmental, and refrain from gossiping or discussing the situation with others who are not involved directly, as this only sows seeds of discord.

Conflicts between students sometimes occur within the school setting. However, a parent must never approach another parent's child while at school regarding a problem, without prior permission from that child's parent. If there is a problem that needs to be addressed, the parent should ask the administration to handle the situation.

### **COMPUTER USE AND INTERNET POLICIES**

Students have supervised access to the computer lab during school hours. Students are expected to display responsible behavior on school computer networks and the Internet. Parents' permission for computer lab access is required for all students. Access is a privilege and not a right at school. **AT NO TIME ARE STUDENTS TO USE SCHOOL COMPUTERS WITHOUT ACADEMY STAFF SUPERVISION.** An account is set up for each student to use while at school. However, personal use of the Internet, including but not limited to, checking personal email, using Facebook, YouTube, etc, entering chat rooms, and all downloading from the Internet is strictly forbidden. Printing from the Internet is allowed, only with teacher permission, for school assignments. If permission is granted, students must pay a \$.10/ page fee. This fee will be added to billing if not paid when printed. File storage areas will be treated like school lockers. They may be inspected at the discretion of the school Computer Network Administrator. V.A. has installed and regularly updates Internet filters in an effort to protect your child while using the Web.

***Violation of any school policy regarding the use of the computer lab will result in the loss of computer privileges.***

- *Faculty and staff are required to remain professional during any communication through private social media or messaging of any kind.*

### **CONDUCT AND COURTESY**

The Academy attempts to educate the total, including the teaching of social graces and Biblical-based morals. As a way to help students grow to be men and women that God can use, we will hold them accountable for using common courtesy and general rules of respect. Students are expected to:

1. To use polite and respectful behavior towards fellow students, faculty, staff members, volunteers, guests, and visitors at all times.
2. To use “Yes Ma’am/Sir or No, Ma’am/Sir, Please and Thank You” in their speech when talking to any adult in authority on school grounds or at a school sponsored event.
3. Reply to or address any teacher or other school authority using the proper title Dr., Mr., Mrs., Ms., or Miss and surname.

There are general rules throughout the school that all students are required to follow.

All classrooms at V.A. follow the same three rules:

1. Face forward
2. Speak only with permission
3. Leave seat only with permission

Students in high school have the opportunity, through events like Hoop Coming and Prom, to dress more formally.

At these events men may wear shirts and ties or suits. For some events, tuxedos may be appropriate.

Ladies wear dresses or formals. These must meet regular dress guidelines except that "spaghetti straps" are allowed. All dresses must be brought in to school for approval prior to the event.

All non-student guests attending special events must adhere to these dress standards. All guests' dresses must be brought in to school for approval prior to the event.

**DRESS CODE ENFORCEMENT**

Students in major violation of dress code will not be allowed to attend class until the violation is corrected. Minor violations will receive one warning. Parents may be contacted and asked to bring appropriate clothing. If parent is unable to do so, an oversized shirt or pants will be provided by the office for the day, to be returned washed the following day. Continued violations may result in loss of privileges. Students in dress code violation at extracurricular events or field trips will not be allowed to attend until/unless the violation is corrected.

**EXTRACURRICULAR ACTIVITIES and ACADEMIC COMPETITIONS**

The goals of all extracurricular activities are to help develop the Christian character of our students, to offer the opportunity to be an effective witness, and to broaden the student's horizons.

All students who participate in ANY extra-curricular school activities including, but not limited to, sports, cheerleading, all clubs, bell choir, or student council must:

Maintain a cumulative\* average of 75% or higher in all core subjects

Not have an "F" average in any single core subject

Field trips are an important part of education and are regarded as extensions of the classroom.

Each class (7<sup>th</sup>-8<sup>th</sup>) will take one field trip during the school year. High school field trips will be as the class schedule allows. Permission for students to participate is covered under the blanket permission slip secured at the beginning

of each school year. However, parents will be notified prior to the trip. Admission fee and gas money may be required. If you do not wish your child to go, arrangements must be made for your child to stay home for that day. It is school policy that no siblings are allowed to attend field trips unless their class is also part of the field trip. Students are not allowed to bring cell phones.

Students are expected to ride school provided transportation for all field trips, unless parents are asked to drive. High school students are not allowed to drive themselves or other students on field trips.

In the event that parents are asked to drive the following conditions must be met:

### **GRADUATION REQUIREMENTS**

High school students are expected to take a full course load each year. 26 credits are required for graduation. A core sheet of required classes is kept in student's file.

In order for high school students to receive credit for a class, they must have a 70% or higher semester grade. Any student failing a class must meet with the Director to discuss options for making up the credit. There will be an additional fee for credit recovery. Students may receive a credit for a D in a class only if the student complies with ALL academic probation guidelines.

P.E. credit will be given for participation in school sponsored sports. Attendance will be taken at all practices and playing time recorded at all games. Credits will be calculated on minutes of participation. 7830 minutes = 1 credit

### **Grading Code**

The following system is used to determine letter grades and grade points for the determination of Grade Point Average (GPA) and class rank.

AVERAGE	LETTER GRADE	GRADE POINTS
96-100	A	4.0
90-95	A-	3.7
87-89	B+	3.3
84-86	B	3.0
80-83	B-	2.7
77-79	C+	2.3

74-76	C	2.0
70-73	C-	1.7
67-69	D+	1.3
64-66	D	1.0
60-63	D-	0.7
0-59	F	0.0

Some classes at A.V.A. have been deemed “weighted”, such as dual credit courses and Spanish 2, and will use a 5 point system according to the above percentages.

### **Graduation Honors**

Graduating High School and 8<sup>th</sup> grade students may work toward the following honors to be bestowed during graduation:

8<sup>th</sup> Grade Valedictorian: Student(s) with the highest GPA in the graduating class.

HS Valedictorian: Student(s) with the highest GPA in the graduating class and will wear a gold cord at commencement.

8<sup>th</sup> Grade Salutatorian: Student(s) with the second highest GPA in the graduating class.

HS Salutatorian: Student(s) with the second highest GPA in the graduating class, and will wear a burgundy cord at commencement.

All Valedictorian/Salutatorians must have a minimum 3.2 GPA and will be figured to the hundredths place. In case of a tie (two or more students) for Valedictorian honors, both or all will be Valedictorians. There will be no Salutatorian(s). The midterm grade of the 4<sup>th</sup> quarter of the 8<sup>th</sup> grade or senior year will be the final grade used for determining Graduation Honors. The end of 4<sup>th</sup> quarter grades will be used to determine the final GPA.

For High School: Candidates must have attended V.A. during their entire Junior and Senior years. A minimum of 26 high school credits must be earned. An ACT test must be taken. Students in Dual-Credit or other weighted classes will receive a weighted high school grade used for determining GPA. A separate non-weighted grade will be submitted to the college sponsoring the Dual Credit course.

Beta Club members who have maintained a 3.2 cumulative GPA will wear a gold Beta stole.

### **HOMEWORK**

Homework is often given to aid the student progress in his/her studies. Therefore, each student is required to complete homework assignments and have them in on time. Parents should expect an average of 15 minutes of homework per grade level. For homework not completed and turned in on time, please refer the following divisional procedures:

\* Students receive a daily homework grade. No homework will result in a zero. Homework grades are averaged and count approximately as one test grade each quarter. Not completing homework will seriously impact overall grade.

### **INJURIES**

All injuries are to be reported immediately to the appropriate supervising staff member, who will complete an accident report, which will be turned in to the Dept. Director. Depending on the seriousness of the injury, appropriate steps will be taken, including notifying the parent/guardian if necessary.

### **LEAVING THE BUILDING/CAMPUS DURING THE DAY**

Students are to bring all books, lunches, etc., into the school upon arrival. At no time during the day is a student to leave the building without authorization from the Director. Students must have a parent/guardian signed permission slip or the parent/guardian must personally sign the student out in the office.

### **LOCKERS**

Lockers are used in grades 7-12. Locks may be used and must be brought from home. Only combination locks may be used. The student must provide a copy of the combination to the HS principal before the lock is put on the locker.

Students are expected to keep lockers neat and orderly and use them strictly for school items.

Approved decorations are allowed on the outside of lockers. Students may use magnets and “sticky-tack” to secure acceptable items/decorations inside the locker. Tape should not be used.

The school reserves the right to inspect lockers periodically or when deemed necessary without notification.

### **LOST AND FOUND**

Items found on the school grounds that do not have a name on them and cannot be identified will be kept in the school lost and found container in the multi-purpose room for a period no longer than 30 days. After that time, if the item is not claimed it will be given to charity.

### **MEDICINE**

Medication will only be dispensed by certified personnel with written parental instructions. All medicines must be turned in at the nurse’s office. Prescription and non-prescription medication shall be in the original container, and labeled with the child's name, instructions for administration, including the times and the amounts for dosages, and the physician's name. Due to liability, the Academy will not dispense any medications not in the original containers.

Students are to be kept home:

1. If he/she complains of a sore throat, is vomiting, has contracted a contagious illness, or has a fever. Students must be fever free for a minimum of 24 hours before returning to school.
2. If a student is prescribed an antibiotic from a physician for a contagious illness, a doctor's release stating when the student may return to school is required for re-admittance into class.

Students who become ill during the school day will be sent to the nurse’s office and parent/guardian will be notified to pick the student up immediately.

There are jobs vital to this ministry which can only be filled with workers who have a willing heart and a desire to serve. These opportunities are published in the monthly family envelopes, as well as, by emails and on facebook. Please contact the school office personnel or Administrator if interested in helping.

For safety reasons, all volunteers must first sign in at the office and obtain a visitor’s badge. When leaving you must sign out and return the badge.

### **PHYSICAL EDUCATION**

Students must wear tennis shoes for their PE class. During hot weather, a water bottle is strongly recommended. All students will be required to participate in PE. Nonparticipation will result in the lowering of student’s grade. If a student has a physical problem that keeps him/her from participating on a given day a note from a parent verifying the problem is required. A doctor's note may be required for consecutive nonparticipation.

### **POLICY REVIEW**

The V.A Board of Directors and Administration shall ensure that all guidelines and policies are evaluated at regular intervals and updated as needed. Input from students, staff, parents, and others from the community will be encouraged.

### **PROMOTION/RETENTION**

Promotion of students to the next grade is determined by satisfactory progress and developmental readiness.

In grades 7-8, promotion will be based on satisfactory completion of the following subjects: Language, Arithmetic, History, Science, Health, Bible, Spelling and Reading. A child can be retained in a grade and not promoted for any of the following reasons:

1. Having a cumulative average grade of 69% or below in two core subjects.
2. Being absent more the 14 days in one semester or 28 days in the school year.
3. Recommendation of the student's teacher, principal or administrator.

In High School, the number of credits earned determines grade placement as follows:

To be classified as a sophomore – must have earned 7 credits

To be classified as a junior – must have earned 14 credits

To be classified as a senior – must have earned 21 credits

### **RECESS**

We will be going outside for recess whenever possible. It is important that children be allowed to get fresh air and exercise throughout the day. In the case of students of divorced parents V. A. will keep the custodial parent informed of all the upcoming school events, grades, and anything else that it would be in their interest to know. The custodial parent is defined as the parent that the child resides with during the majority of the school year. It is between the custodial parent and the non-custodial parent to work out a plan for the custodial parent to communicate the information to the non-custodial parent.

### **REPORT CARDS**

The scholastic year is divided into two semesters of two quarters each. Grades may be viewed at anytime on the GPA student network system. Students and parents will have login accounts. 2. Cars are not to be occupied during school hours, nor are students to sit in parked cars while waiting for school to begin or after school dismisses.
3. Each driver should be an example of courteous, careful driving habits. Failure to observe these policies will necessitate cancellation of the privilege of bringing your car to school.
4. In order for students to drive back and forth between buildings, written permission from parents/guardians must be submitted to the High School Director. This does not permit the student to drive back and forth at any time. Driving between campuses must be approved by the Director.

High School: Transcript will be evaluated and class schedule set. If student did not pass last credit attempted in a core class, with a 70%, a placement test may be required.

### **Achievement Tests**

Achievement testing provides parents, teachers, and the school with an evaluation of the student's progress, strengths, and weaknesses. The EXPLORE is administered to 8<sup>th</sup> grade and the PLAN to 10<sup>th</sup> grade. Results are used to determine how well the school is meeting its goals. Parents receive student's results along with an explanation for interpreting those results.

### **Transportation**

1. The school will make arrangements for transportation for extracurricular activities. Whenever possible, this

will be in a school vehicle. If the school specifically asks a parent to use a private vehicle, the school will still make all arrangements. If a parent secures permission to transport his/her own child, only that child may ride; no children of other parents will be allowed to ride in cars other than their parents' either to or from an event without that parent notifying the school **IN WRITING**. ## **VICTORY ACADEMY SCHOOL WELLNESS POLICIES**

### Policies

- I. School Health Policies
- II. Nutritional Quality of Foods and Beverages Sold and Served on Campus
- III. Nutrition and Physical Activity Promotion and Food Marketing
- IV. Physical Activity Opportunities and Physical Education
- V. Monitoring and Policy Review

Understanding that children need access to healthful foods; an opportunity to be physically active in order to grow, learn, and thrive; that good health fosters student attendance and education; that obesity rates have doubled in children and tripled in adolescents over the last two decades, and physical inactivity and excessive calorie intake are the predominant causes of obesity. Knowing that heart disease, cancer, stroke, and diabetes are responsible for two-thirds of deaths in the United States, and major risk factors for those diseases, including unhealthy eating habits, physical inactivity, and obesity, often are established in childhood. 33% of high school students do not participate in sufficient vigorous physical activity and 72% of high school students do not attend daily physical education classes. Only 2% of children (2 to 19 years) eat a healthy diet consistent with the five main recommendations from the Food Guide Pyramid.

Nationally, the items most commonly sold from school vending machines, school stores, and snack bars include low-nutrition foods and beverages, such as soda, sports drinks, imitation fruit juices, chips, candy, cookies, and snack cakes.

Schools around the country are facing significant fiscal and scheduling constraints. Community participation is essential to the development and implementation of successful school wellness policies.

Thus, the Victory Academy is committed to providing a school environment that promotes and protects children's health, well being, and ability to learn by supporting healthy eating and physical activity. Therefore, it is the policy of the Board of Directors of Ava Victory Academy that:

The Academy will engage students, parents, teachers, food service persons, health professionals, and other interested community members in developing, implementing, monitoring, and reviewing school-wide nutrition and physical activity policies.

All students in grades K-12 will have opportunities, support, and encouragement to be physically active on a regular basis.

Foods and beverages sold or served at school will meet the nutrition recommendations of the U.S. Dietary Guidelines for Americans.

Qualified child nutrition professionals will provide students with access to a variety of affordable, nutritious, and appealing foods that meet the health and nutrition needs of students; will accommodate the religious, ethnic, and cultural diversity of the student body, and will provide clean, safe, and pleasant settings and adequate time for students to eat. To the maximum extent practicable, the academy will participate in available meal programs such as the Fruit and Vegetable Snack Program.

The academy will provide nutrition education and physical education to foster lifelong habits of health eating and physical activity, and will establish linkages between health education, school nutrition, programs with related community services.

#### TO ACHIEVE THESE POLICY GOALS:

##### I. School Health Councils

Victory Academy will create, strengthen, or work within existing school health councils to develop, implement, monitor, review, and as necessary, revise school nutrition and physical policies. The councils will also serve as resources for implementing those policies. (A school health council consists of a group of individuals representing the school and community, and should include parents, students, members of the school board, administrators, teachers, health professionals, and members of the public)

##### II. Nutritional Quality of Foods and Beverages Sold and Served on Campus

Meals served at the Academy will be appealing and attractive to children, be served in clean and pleasant settings; meet, at a minimum, nutrition requirements established by local, state, and federal

statutes and regulations; offer a variety of fruits and vegetables; and serve only low-fat and fat-free milk and nutritionally-equivalent non-dairy alternatives (to be defined by USDA); and ensure that half of the served grains are whole grain.

Schools should share information about the nutritional content of meals with parents and students; by newsletters, menu boards, etc.

### III. Nutrition and Physical Activity Promotion and Food Marketing

Schools will provide students with at least 20 minutes to eat after sitting down. Meal periods will be scheduled at appropriate times, e.g., lunch should be scheduled between 11 a.m. and 1 p.m.

Tutoring, club meetings, organizational meetings, or activities will not be scheduled during meal times, unless students may eat during such activities.

Lunch periods and recess periods will be scheduled at separate time slots.

Students will be provided access to hand washing or hand sanitizing before they eat meals or snack.

Reasonable steps will be taken to accommodate the tooth brushing regimens for students with special oral health needs.

Schools should discourage students from sharing their foods or beverages with one another during meal or snack times, given health concerns and concerns about allergies and other restrictions on some children's diets.

Snacks served during the school day or in after-school care or enrichment programs will make a positive contribution to children's diets and health, with an emphasis on serving fruit and vegetables as the primary snacks and water as the primary beverage. Schools will assess if and when to offer snacks based on timing of school meals, children's nutritional needs, children's ages, and other considerations.

Nutrition education and promotion will promote fruits, vegetables, whole grain products, low-fat and fat-free dairy products, health food preparation methods, and health enhancing nutrition practices. Education is offered at each grade level as part of a comprehensive program designed to provide students with the knowledge and skills necessary to promote and protect their health.

### IV. Physical Activity Opportunities and Physical Education

Students will receive the nationally recommended amount of daily physical activity (I.e. at least sixty minutes per day) and students will fully embrace regular physical activity as a personal behavior, students need for physical activity will be incorporated into other subject lessons and classroom teachers will provide short physical activity breaks between lessons or classes, as appropriate.

All students will have at least 20 minutes a day of supervised recess, preferably outdoors, during which schools should encourage moderate to vigorous physical activity verbally and through the provision of space and equipment.

### V. Monitoring and Policy Review

To help with the initial development of the school's wellness policies, Victory Academy will conduct a baseline assessment of the school's existing nutrition and physical activity environmental policies. The results of this assessment will be compiled and needs will be identified and prioritized.
